PLAY • LEARN • CONNECT

## Our Mission

To promote the developmental growth of participating campers. We are a catalyst for development and growth through the shared expertise of participating professionals. Our collaborative approach will help to build children's confidence and skill levels all while having fun in a camp environment.

## Camp Program

Camp Connect provides a variety of activities tailored at the level of each child. Camp Connect has been designed for group experience, with therapeutic support geared toward facilitating peer interaction, communication, and sensory experiences with camp activities. Staff/Camper ratio ranges from three to five staff to eight to ten children during daytime activities.

## Camp Activities

We provide an intensive occupational, speech-language, and social skills program within an indoor and outdoor camp setting for children ages 6-10 who have developmental, communication and/or sensory differences. Our goal is to provide an intensive treatment environment in the context of a fun camp experience.

Camp Connect is provided by **InterPlay** and **Palm Beach Speech-Language Specialists** and offers a broad range of fun activities that also have a therapeutic benefit provided by our highly trained multidisciplinary team. Different developmental goals are targeted and updated throughout the weeks as well as involvement in sports and arts.
