

Play Pals
THERAPY DIRECTED KINDER PREPARATION

OPEN FOR ENROLLMENT NOW!!

Play Pals is a therapeutic group program for children **ages 4 to 5 years old** who are at risk of developmental delays or with identified disorders that impede their successful participation in preschool programs.

Children will have **support from a learning specialist, occupational therapist, and speech and language pathologist.**

Play Pals uses a **play-based intervention approach with a small adult to child ratio** to prepare children for preschool, and to provide parent training for a family centered approach.

Using evidence-based practices such as Play Project and Sensory Integration
